Little Miss Picasso

Alexandra Nechita is thirteen and she is called 'the new Picasso'. She paints large pictures in cubist style and sells them for between \$10.000 and \$80.000.

She was born in Romania but now she lives in Los Angeles with her family . She could paint very well when she was only four, but her parents couldn't understand her pictures. Alexandra says: 'I paint how I feel. Sometimes I'm happy and sometimes sad. I can't stop painting'. Every day after school she does her homework, plays with her little brother, then paints for two or three hours until bedtime.

Alexandra doesn't spend her money, she saves it: 'We were very poor when we were first in America. We couldn't buy many things, but now I can buy a big house for my family and we can travel the world. Last year we were in London. Paris, and Rome. It was fantastic!
